 - TIP Volunteers offer emotional support and practical resources to survivors, family members, witnesses, friends and bystanders.

Donna Law Award

Donna Law Award is presented to **Suwannee Srisatidnarakul**

Suwannee has been with City of Hope for over 7 years , becoming the manager of the Infection Prevention Program during the thick of COVID in 2021. Keeping abreast of ever-changing guidelines, she and her team did daily rounds and written education, creating strong relationships with front line staff and IP, which continues to this day. She and her team defied the trend of increased HAI during COVID to seeing a decrease in CLABSI and CAUTI during this time. She has been creative, developing programs that utilized light duty clinical staff to assist with public reporting, hand hygiene rounds and during COVID the daily required screening. She also has presented at National APIC on her CAUTI program. Led efforts to update and education on appropriate CDI testing also led to a reduction in HAI CDI. Through all of this Suwannee is an engaged lifelong learner, making connections and developing best practices for the IP program and is appreciated by all her colleagues and leadership. Suwannee has been an outstanding leader in the Orange County APIC Chapter. She has gone above and beyond to fulfill her obligations as an officer on the Board. She willingly took over responsibilities as President when the President was on leave. Suwannee has been supportive to promoting all strategies and other Board members in their responsibilities. She is well deserving of this honor.

Board Report: President

CANCELED

Board Report: Past President

- Summary of Chapter Achievements 2024
- [OC APIC Plan 2024.docx](#)

Board Report: Past President

Advocacy Updates:

- **APIC Provides Comments on 2025 Leapfrog Hospital Survey**
 - IP staffing based on the complexity of patient population and services
 - Expand Patient Safety Practice to include Patient Bathing/patient with CHG in high-risk groups
 - Reduce HH observations to 50/month and increase the weight of feedback/training/education/infrastructure/culture domains

Joint Commission Updates:

- **Effective July 1, 2025**, a fully revised “Infection Prevention and Control” (IC) chapter, including new and revised requirements, has been approved for all Joint Commission–accredited **office-based surgery practices and behavioral health and human services organizations**. The requirements in the revised chapter will replace the current IC requirements.
